

Good afternoon, Eisenhower School Families,

This is Principal Tim Chipman contacting you with a brief update regarding arrival and dismissal at Eisenhower School... and my message begins with two words: THANK YOU. Thank you for giving us the time, grace, and opportunity to continue to improve our procedures for both arrival and dismissal. And, as you've seen, together, we've made a lot of progress in just a few days.

A few notes to help us in our journey toward mastery:

- Only right turns off of Hoagland Blvd. into the Eisenhower lane
- Only left turns off of the JMS campus onto Park Street
- No Eisenhower-only families should enter the JMS parking lot off of Lincoln; in other words, please don't drop Eisenhower students in the JMS lot
- For safety reasons, please do what you can to ensure your child/children exit/enter vehicles from the side facing Eisenhower (not JMS)

Specifically, regarding dismissal:

- Students in the STEP classes will dismiss at 2:10pm
- As previously stated, only STEP student families, buses, and daycares will be permitted entrance into the lane prior to 2:20pm
- We will ask all STEP student families to form a line in Lane 2 (nearest Eisenhower) and all bus and daycare vehicles to form a line in Lane 1 (nearest JMS)
- School representatives will be present tomorrow to help initiate this slight change
- Dismissal time for bus/daycare students remains 2:15pm and dismissal time for all others remains 2:20pm

Have a wonderful evening--see you tomorrow.

*Skylert to be sent 8/21/23 6pm*
