

Good afternoon, Eisenhower Families,

Pardon me, while I finish chewing the last of the delicious eats and treats provided by our Parent Teacher organization for Parent/Teacher Conferences... I have three things on my mind:

1. PTAC, you absolutely spoiled us all with such scrumptious food and drink. Thank you! Even sweeter was the opportunity to have meaningful conversation with so many of you regarding your children's progress here at Eisenhower.
2. Many of you have inquired about last year's yearbooks. According to UPS records, the yearbooks arrived at Eisenhower on Lafayette on July 13. This particular day was very busy, with our dedicated maintenance and custodial staff moving packed boxes into the storage units. After having examined both Eisenhower on Lafayette and the storage pods to the best of our abilities, we still have not been successful in tracking down the yearbooks.

Our suspicion is that the 2022-2023 yearbooks will be found when we move out of the modular units and back into the state-of-the-art renovated facility on Lafayette. Until we do, we must ask for your patience. As soon as the yearbooks are found, we will distribute them to those who ordered last year. Should the yearbooks not be found, we will order duplicates which will come at no cost to families.

3. Finally, as the weather begins to cool, please know we are committed to getting students outside for PE and recess as much as possible. This means that if the outside "feel like" temperature is above 25 degrees Fahrenheit, it is very likely we will take students outdoors. In that case, thank you for helping us prepare students for fresh air--by sending a stocking cap, warm gloves, a scarf, or the appropriate jacket or coat.

Should you have any questions, ideas, or concerns, please don't hesitate to reach out to me in the office by calling 217.245.5107

Have a wonderful evening!
