

Good afternoon, Eisenhower Families,

This is Principal Tim Chipman contacting you to inform you of a change in our school practice. This year, Eisenhower Elementary will join other JSD117 schools in allowing students to bring peanuts, peanut butter, and peanut products in their sack lunches. With the addition of our spacious cafeteria, we have plenty of room to provide an allergen free eating space for those students who require it. As always, individual students' plans will be followed closely by our school nurse, our cafeteria team, our classroom teachers, and our administration. Families should be prepared for specific classrooms to be labeled as "peanut free" and we ask for your support in following such stipulations.

Should you have specific questions about this change in our practice, feel free to contact me directly by calling the school office (217.245.5107) or emailing me directly (tchipman@jsd117.org).

I look forward to seeing you this evening at our Meet the Teacher event between 5:30-6:30 p.m.!
