

Good afternoon, Eisenhower Families,

It was so good to see so many of you at our Eisenhower Meet the Teachers event last night! This call pertains to clarification on our after-school **dismissal** plans. In the email version of this message, you will find a map attached should you wish to see a visual.

- STEP students dismiss at 2:10pm. STEP families may pull up in the main lane alongside the covered sidewalk.
- Kindergarten students dismiss at 2:25pm. We encourage kindergarten families to park streetside and walk to the kindergarten classroom doors.
- Daycares and buses dismiss at 2:30pm.

Here's the major change:

- Walkers and riders dismiss at 2:35pm. Drivers of vehicles will NOT enter the drop-off lane in front of the main entrance. Rather, drivers will be directed to form three lines facing west in the parking lot: Lanes 1, 2, and 3. Drivers should not leave their cars--however, when classes walk to the holding zone, drivers may need to stand and wave to alert student(s) to vehicle location. (Please communicate with your student both who will be picking them up and what the vehicle looks like.) Students will load vehicles and each lane will be dismissed one at a time.
- In order to accommodate our PE and Recess schedules, please note that the Eisenhower parking lot will not open until 2:00 p.m. Please do not arrive prior to 2:00 p.m.

Again, please reference the attached map. The Eisenhower community was amazing last year at adapting along with us as we adapted to the modular units. Once again this year, we ask for your understanding and support as we reacclimate to our beautiful facility. Remember: the start of the school year, in every school, requires extra time and patience. We are stronger together!

Skylert scheduled for PM 8/13/24
