Eagle Pride Character Trait: Be Friendly

Good friends are reliable, so keep your promises and do what you'll say you'll do.
Good friends are there when someone's happy and sad.
Good friends bring out the best in other people.
Good friends stick together no matter what.
Good friends are generous with their things—and their time.

A Note from Mr. Chipman: Can vs. Shall

"Shall" is not a word we frequently toss around in daily conversation. But, let's not underestimate the value of "shall," which according to writer MaryAnn M. Dana, "is the genesis of hope." For example, when we use the word "can," we talk about externalities, and often things out of our control. But, when we elevate from "can" to "shall," we speak of inner resolve. "Shall" emerges from our own power, what we're capable of and inspired to do. And, that is where hope may begin. May this holiday season inspire you toward "shall." So shall it be!
