

Good afternoon, Eisenhower Families!

This is Principal Tim Chipman calling with a reminder and three exciting announcements.

First, please remember that school will dismiss two hours early this Wednesday, February 26 for SIP. This means that STEP students will dismiss at 12:10, kindergarten at 12:25, bus/daycare (minus Westfair) at 12:30, and walkers/riders at 12:35. The Good News Club will not meet. If you have pick-up changes, please call Miss Tracie at 217.245.5107

Next, three items to mark on your March calendars:

1. On Friday, March 7, Eisenhower will celebrate our successful PTAC fundraiser with a Pajamas, Popcorn, and Movie special reward. Your student is invited to wear her/his pjs on that Friday. Movies will be shown in classrooms.
2. On Saturday, March 8, JSD117 elementary students are invited to take part in Saturday Science Club sponsored by Jacksonville High School teacher Heather English and the JHS Science Club. More information can be found on the JSD117 Electronic Backpack or by following this link: [Saturday Science Registration](#)
3. Finally, on Thursday, March 13, Eisenhower will host Interstate Studios for Spring Pictures. Only students whose families pre-order online will be photographed on this day. Please find more information on the Eisenhower homepage, and note the event's order code is 93546MF

It's always a great day to be an Eisenhower Eagle, and I appreciate your partnership and support!
